Who are you really, bitch ?!

Right back at you. Why do you sound so confident ?!

Right back at you. Who do you have no fear ?

What is this uncanniness

Hohohoh !

No... I, I have a strong feeling that these two must not fight no matter what !

Don't ... fight !

You two ... mustn't fight ! If you do ... You two mustn't !

I told you not to step outside !

..!!

I told you that you are a sore sight !

Will you ...

Ever listen ?!

..!!?

What are you doing to a kid ?

You are venting your anger at him for no reason !

I did hear that you can buy and sell anything in March.

...

I never thought an orphanage, out of all places, would be selling kids

I thought this place existed to look after homeless kids ?

You have no right to take that tone with me. You broke in here.

Your concern should be property damage. Forget about my goods

You really are hopeless

CALLING

Bye

Do you even know what it is like to have a bounty on your head in March?

You've better not touch me.

Sure, sure, your highness I am holding back because of the kid

And one more thing. The guards should be on their way to here already

!!

So, don't waste your time.

GODDDD DAMNNN! FUCK THIS !

Hohohoh !

I want no more headache today. Fine, FINE ! You win !

Yeah, whatever, your highness. 2 mil, you got it ! I will buy him

At last, you've come to your senses

Trust me, I am not overchar... What ? Buy ?

... Eh, re, ow, I, I mean... I will pay for the damage !

2 mil ! You got it ! ... Ma'am.

Oh ?

Isn't 2 mil really over the top ? I mean, really

??

I have no intention to bring down the price.

However, since you are now a potential customer, I am willing to negotiate.

You seem to have taken an interest in this child... 2.5 mil, what say you?

!!

Obviously, he isn't going to be useful since he is covered with bandages

??

He can't hold anything due to the bandages
People are going to misunderstand due to the bandages
Bandage thus Bandage that Bandage

!!

I see ~

I thought you were deeply disgusted about child trades. You are indeed a witch.

I can never understand their sexual tastes, either

What do you plan to do with him ? Perform experiments on him? Turn him into a monster?

W, what the hell are you talking about ? I am not you !

I am trying to save him from your grasp !

That so?

Shit, you are not going to free him though. Correct ?

I am just gonna look after him !!
Cuz he is just a kid !
He needs protection !

He needs to be protected from you men ! It's scary out there !

Tromi (Above) : I am not acting like this because you got me !

Your taste is none of my concern. I simply act

It's not about that, I swear !

You have to pay first

You know, I am not feeling good about this

Once you have fun with him, you will have a change of heart !

...

Anyway, wait here. I will gift-wrap him.

Wait, I am not done yet !

?!

...What now ?

I want an apology !

The gibberish about witches.

I am not a witch, so I don't really care but it made me feel bad

..

So, I want an apology

I apologize for my behaviors, Miss Magical Girl.

..!?

What the freak. What are you up to now ?

I am just a humble merchant

You purchased one. You may purchase another.

Like hell I would ! I am NOT coming back here !

Let me see... I can arrange a new kid with even more bandages

Really ?

.....

Sigh Ahh

What in the world am I doing here...

I mean... I just purchased a boy...

Greet her now.
She is now your new master.

M, master?

"I don't mind its Friends. Kinda fun, do I ?"

...Ew !

Eh...

Will you stop doing that ? You are making me look like I am the bad one !

When in fact I am rescuing you from that wench !

And I already paid...

Ah...

!?

What are you doing ?

Um...

Why are you hesitating ? You've always wanted to go outside

Do you want to go back in there ? Where there is no light ?

... No

Then you need to listen to your new master

Finish your dishes clean

And always make sure you are clean. Brush your teeth before going bed

... Yeah ...

I do not want to see you coming back here. Hear me ?

...

Answer me

...

...

Whether you like or not, it's decided

That witch seems to like you. You've better behave and not ...

..!?

...!!

Enough already !

Be now ! Your master is waiting !

If she returns you, I swear I am going to punish you

O... Okay...

I ... I am going

...

Bye, mother superior.

Your children are always on your side.

And your affection

toward your children or...

...!!

It's only for yourself.

Bye

Bye ... !
